RBS LOGISTICS Strategy: focus

RBS LOGISTICS strategy for 2014 is to develop LCL and Air freight shipments, as Georgia is the small market and groupage cargoes is actual

Strong network assists us to have the most competitive rate and TT for FCL

Import and Export

Logistics Plus China therefore serves all customers from Georgia with focus:

- **Focus on each order:** support from higher management at all times
- **Focus on service:** retention of very capable, highly skilled associates
- **Focus on speed:** central decision making and own operation office in Poti allows fast solutions
- **Focus on reach:** long term relations with trusted partners Georgia, Armenia, Azerbaijan
