

RBS LOGISTICS

WITH DIRECT SERVICE

 **RBS LOGISTICS**
PORT OF POTI AGENCIES

 **RBS LOGISTICS**
SURE TO DOOR FORWARDING

Founded in 2011, RBS Logistics is a dedicated team of logistics professionals based in Georgia offering transportation services around the world.

Because of the attractive rates and transit times RBS Logistics have already won many projects in the Caucasus region (Georgia, Armenia, Azerbaijan).

Over the years our team have developed very good relationships with local and overseas partners and can thus offer excellent service both in the Caucasus region and worldwide.

As a slogan we have chosen for 'With Direct Service'.

For we at RBS Logistics believe in a direct contact with our customers and an impeccable service. You will not get answering machines here or account managers that do not know what happened to your cargo. Instead you speak directly to the people who deal with your valued business on a daily basis and who will be able to give you all the answers you require and the service you deserve.

For that is our Direct Service!

RBS Logistics handles:

Containerized cargo

FCL Imports and exports

Project and break bulk
shipping

RBS Logistics offers:

worldwide air and ocean freight
forwarding services as well as
railway and road transport of
